ENIGMA

Inexplicably subtle – silently bold. The Enigma is designed to be the upper echelon of eyewear. Created with tech even the most seasoned agent would find impressive, Enigma features multi-barrel hinges anchored into injected temples. It's balanced, has a wide field of view, and with its modern styling, deep cover will never be compromised.

MSRP

\$59.99

AVAILABILITY

August 2016

SPECIFICATIONS

lens width:
57 mm

temple:
132 mm

nose:
19 mm

weight:
35 grams (without packaging)

KEY FEATURES

- Wide format lenses create an unobstructed panoramic, high-resolution field of view
- Rigid lens mounting area prevents optics from degrading through lens flexing
- 3-barrel hinge design and high tensile steel construction create incredible durability
- Curved nose rests provide even weight distribution and eliminate pressure points
- Engineering grade frame polymers provide dimensional stability and long-term durability
